

## **Drought in World**

North America  
South America  
Africa  
Western Europe  
China  
Arctic,  
Bone-dry,  
Climate droughts beget  
Wicked climate firestorms.

Record fossil fuel  
Profits,  
Astronomical oily subsidies.  
Food prices spiking,  
Hunger eggs on anger,  
Anger topples governments!

Parched Mother Earth,  
Rivers trickling,  
Widespread  
Thirsted animal deaths,  
Food fields barren,  
Food trees leafless,  
Innumerable hunger pangs.

Fossil fuel enabling  
World's leaders,  
Legions  
Elected officials,  
Enriched painless.  
Aggressive  
Disobedient uprising  
Imperative,  
Zero-combustion economy 2030.  
Stave off  
Mass starvation,  
Climate Gen  
Four billion strong,  
Activation youngsters,  
Imminent upending!
