

A Kristján to Make Jesus Weep!*

Icelandic tycoon,
Savage destroyer,
Evil-minded,
Cold-hearted,
Whale mass murderer,
Kristján Loftsson.

All Icelandic money,
Not enough!
Massacring one hundred eighty
Endangered fins,
Second largest gentle mammals,
Into Japanese dog food.
Vile planet-killer!

Amidst accelerating
Sixth Mass Extinction,
Harpooning pregnant whales,
Harrowing half-hour,
Blood spurting,
Writhing
Excruciating pain,
Hideous Icelandic psychopaths.

Great whales,
Shepherds of the sea,
Flocculent fecal
Fertilising plumes.
Enrichers.
Enhancers.
Fisheries flourishers.
Oxygen-makers.
Extraordinary carbon storehousers.
Seabed feeders.
Life enablers.

Human survival,
Great whale dependent.
Nature's climate solutions.
To Gehenna:
Iceland,
Japan,
Denmark,
Whaling nations
Hastening human extinction.

Operation Northern Exposure,
Sea Shepherd Conservation Society,
Intrepid ocean defenders,
Whale lovers,
Chasing Hvalur hf' whalers,
Recording,
Reporting
Brutal bloodbaths.
Wakeup world!
Boycott whaling nations,
Shame the sadistic brutes
Into submission.
