

Meaning of It All

Forever seeking
Life's clues,
Experiences
Realities
Resonances,
Inner most being.

Mind's quest
Heart knows,
Precious here and now!
Societal trappings
False flags.
Profound meaning
Being alive
At one with Nature,
Rapture!

Mother's defenders,
Blissful kindness
Defiant actions,
Shielding climate solvers
Fabulous forests,
Outstanding Oldens
Sacrosanct life!
